### CHRIS Hill

 Swanwick School and Sports College, Swanwick, 826

We are a school of 70 students aged 11 - 16, all who have moderate learning difficulties. Our school is situated in a rural setting in Derbyshire. We are interested in any link or project with any other school who have similar students. Our aim is to widen the students knowledge of other students within Europe.

**Age group:** 11 - 16

**Registered since:** 14.12.2008

### Dot Meadwell

 Learn 4 Life Independent School, Skelmersdale, 826

Learn 4 Life School has been in operation for 6 years, since the appointment of the current head and has been Department of Children, Schools & Families registered since July 2005. The school caters for co-educational, day placements in the secondary age phase. Students are those presenting challenging behaviours, often with Statements of Special Educational Needs for Behavioural, Emotional and Social Difficulties. We would like to set up communication links with a similar school.
